OBJECTIVE

I'm looking for a great place to continue to learn and grow as a welder/fabricator.

JOB HISTORY/DUTIES

Welder

Floe International
McGregor, MN
Months of Experience: 24
Assemble, weld, and finish docks, clamps, and boat lift accessories. Using pulse GMAW aluminum process. Use of hoist, power, tools, punches, and jigs. Meet quota.

Welder/fabricator

Briese Iron Works Inc
Rochester, MN
Months of Experience: 24
Fabrication of custom commercial building products, including columns, beams, and stairs to blueprint. FCAW and GMAW welding processes were most common. I'm familiar and proficient at operating industrial band saws, plasma cutters, Oxy-Acetylene torch cutting, pipe bender, hole punch, drill press, dynaflex, 9" and 4 1/2" angle grinders, 5-10 ton bridge cranes, electric fork jack etc.

Welder

RDM of Minnesota
Dodge Center, MN
Months of Experience: 12
GMAW and GTAW welding processes to assemble and weld products mostly using jigs, plasma cutter, angle grinder, etc.

Welder

Fraser Shipyard
Superior, WI
Months of Experience: 6
Fabrication, welding, angle shear, shear, ironworker, forklift, bridge crane, plasma cutting, oxy-propylene torch, band saw, blueprint reading,

Welder/fabricator

Flatwater Fleet
Saginaw, MN
Months of Experience: 6
Fabricate parts and subparts to build 1200 gallon and bigger flat water tanks installed on various vehicles. I build tool boxes, cabinets, pretty much what the customer wants the customer gets. Drive forklift, operate hoists, plasma cutter, oxy-acetylene torch. .035 and .045 wire used in GMAW welding process. Maintenance and repair of the shop and tools used.

Laborer

Sparling Construction
Bismarck, ND
Months of Experience: 12
Demolition, assist lead carpenters, staining and painting remodels, staining cabinetry, maintain shop, landscaping, pick up, load and unload lumber. Accomplishments I reorganized portions of the shop for accessibility, efficiency, and aesthetic appeal. Skills Used Problem solving skills, working well with others or by myself, taking pride and integrity in my work

Welder

Preference Personnel for Amity Technology

Fargo,ND

Months of Experience: 6

Using GTAW and GMAW welding processes on stainless and mild steel. Using GMAW for building parts for frames of air-seeder carts utilizing mild steel. Using GTAW and GMAW for building several models of stainless steel air-seeder carts. Replace shielding gases as needed. Clean up work areas daily. Operate 10 ton bridge crane. Accomplishments I was a model of productivity and kept a clean work area. Skills Used GTAW and GMAW welding skills, problem solving skills, working well on my own or in a group, clear communication skills, practiced safety at all times.

Assembler and later Welder

Labor Ready Inc. for John Deere Seeding Group

Valley City,ND

Months of Experience: 12

Assemble parts and components, operate hoists and bridge cranes, GMAW welding on mild steel no-till tiller frames and component parts. Clean up work area. Perform random tasks as needed such as taking out the trash or unloading shipments.

EDUCATION

Major: Welding Technology Diploma

Alexandria Community and Technical College, MN USA

GPA: 3.47
